MEMORANDUM FOR: Director of Central Intelligence

VIA: Chairman, National Intelligence Council

FROM: Maurice C. Ernst
National Intelligence Officer for Economics

SUBJECT: SNIE 3/11-2-82: The Soviet Gas Pipeline in Perspective

This is for your comments and concurrence. If you concur, I plan to send these draft Terms of Reference for the SNIE, The Soviet Gas Pipeline in Perspective, to the NFIB Principals this afternoon. In preparing the draft TRs, we tried to reflect the views you and some of the NFIB Principals expressed at the 1 September NFIB meeting, General Odom's subsequent memo to Bob Gates, and Herb Meyer's suggestions. They have been cleared by the various interested NIOs and DDI offices and have been amended to reflect Bob Gates' comments.
